

Perfect results. Without the effort

The AssistedCooking Oven has a recipe collection built in, allowing you to precisely prepare any meal with ease. There's also a probe, which when inserted in food, analyses core temperatures. For consistently reliable results, in every single dish.

Product Benefits & Features

Shortcut to perfection. With AssistedCooking

AssistedCooking is your at-home sous chef. Scroll through menus to select a food category, and the oven will generate the correct settings for the dish. You can even choose how you would like meats sealed. And for added safety, the oven automatically powers down after cooking.

Functional. Integrated. Personalised. Smart Kitchen

Remotely manage your oven, explore our various partners, and even get personalised cooking assistance, all via the My AEG Kitchen App. It's the convenient and easy way to enrich your Smart Kitchen experience.

Perfect results with the Food Sensor

Thanks to the Food Sensor of this oven you can measure the core temperature from the center of your dish during the cooking process. So you get the perfect results everytime.

- Made in Germany
- SenseCook

- Oven cavity size: 0 l

Intuitive oven cooking. With the EXCite Touch Display

The EXCite Touch Display provides access to a wide variety of oven functions to suit every dish. It also makes it easy to adjust oven temperature and timings. And gives you direct feedback, and highlights the most important information.

A self-cleaning oven

With one touch of the Pyrolytic cleaning function, dirt, grease and food residue in the oven is converted into ash that you can easily wipe off with a damp cloth.

Product Specification

Product Number Code	944 188 454	Weight gross cleaner and accessories with packaging	35.5
EAN	7332543755646	Weight net cleaner and accessories no packaging	34.5
Energy Efficiency Class – Main Oven	A++	Package height	670
Built in height mm	590	Package width	635
Built in width mm	560	Package depth	670
Built in depth mm	550
