- Oven steam cleaning function
- Demo mode
- Oven cavity size: 43 l

Connected Cooking for more control in the kitchen

Get your own personal assistant in the kitchen with Connected Cooking. Control the settings of your oven--including timing and temperature--from your mobile device. Get recipe inspiration and preparation tips. Or use it to check the progress of your dishes from another room.

Perfect results with the Food Sensor

Thanks to the Food Sensor of this oven you can measure the core temperature from the center of your dish during the cooking process. So you get the perfect results everytime.

Intuitive oven cooking. With the EXCite Touch Display

The EXCite Touch Display provides access to a wide variety of oven functions to suit every dish. It also makes it easy to adjust oven temperature and timings. And gives you direct feedback, and highlights the most important information.

Pre-heat quicker. With Fast Heat Up

Make more of your time with the Fast Heat Up setting, pre-heating the oven 40% quicker than conventional models. Enjoy minimal waiting before beginning a bake, for great results on your schedule.
