

### Tailored dishwashing. In just a touch

QuickSelect from AEG ensures optimal settings for every dishwashing cycle. Choose the cycle time with the slider along with any optional treatments. All in just a few taps. Then let the machine do the rest. Enjoy pristine results at a time that's most convenient.

## Product Benefits & Features

### Customisable eco dishwashing with just a touch

With the QuickSelect Dishwasher you can use the My Time slider to select the cycle time, the Ecometer will display the eco performance for each of the possible selections. So, you can easily select the best option with just a touch.

### Open the door to dry dishes

AirDry delivers up to 3x better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

### At-a-glance check

This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technology projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and effective.

### Efficiently clean. In every cycle

The special sensor in our AutoSense program detects how much cleaning your dishes need. Using just the right amount of water, energy and time needed to do the job properly. Meaning dishes are cleaned in the most eco-friendly way possible.
