- Indications for salt and rinse aid

**Removes more than 99,9999% of bacteria and viruses\***

The ExtraHygiene function gives you maximum cleaning performance with hygienic care. With the ExtraHygiene function, the final rinse phase heats up to 69°C and keeps the temperature high for minimum 10 minutes to sanitize your dishes, removing more than 99,9999% of bacteria and viruses\*.

**Water reaches every corner. With the Dual Spray Arms**

Ensure maximum water coverage with two spray arms. The rotating sprinklers send water jets into every corner of both the lower and upper basket, for dishwashing results you can rely on.

**QuickLift—adjust the basket height even when fully loaded**

Indulge in the efficient amenities provided by the QuickLift basket. Regardless if you have a full load with bulky items, you can effortlessly adjust the height so you can easily fit dishes and kitchen tools of different shapes and sizes.

**Fast and efficient performance**

This dishwasher gives you perfect performance - fast, thanks to its special half-hour program.
