AEG

World's first lift-and-load. Bring the dishes to you
The 9000 ComfortLift® Dishwasher revolutionises dishwashing with the world's first lift-and-load basket. This advanced mechanism lifts the rack to a comfortable height for easy loading and unloading.

Product Benefits & Features

ComfortLift®. Effortless dishwashing. Mastered
This world-leading ComfortLift® gently lifts the lower dishwasher rack up to a comfortable height. For easy loading and unloading. Elevating dishwashing to a whole new level.

Customisable eco dishwashing with just a touch
With the 6000 QuickSelect Dishwasher you can use the My Time slider to select the cycle time, the Ecometer will display the eco performance for each of the possible selections. So, you can easily select the best option with just a touch.

More Visibility, More Efficient Loading
Instantly see the racks and configurations in your dishwasher courtesy of the interior light. With increased visibility, you can see where best to place your items more efficiently and effortlessly, meaning you can load everything away in one seamless process.

Always know exactly when the dishwasher is done
Thanks to TimeBeam you can be fully up to date on the status of your dishwashing cycle at a glance. While the cycle is still in progress, TimeBeam technology projects the remaining amount of time in a clear red light on the floor. Simple, straightforward and effective.

Customisable space and convenient cleaning with MaxiFlex
The MaxiFlex drawer is engineered to accommodate cutlery and utensils of many sizes, whether large or awkwardly shaped. Flexible dividers and maximised depth mean each load is customisable. Essentially every item is seamlessly loaded and cleaned in one go.
