

Your kitchen, your way.

Get the Kitchen Design Freedom you need. This duo combines an induction hob with a powerful integrated extractor, so you don't have to worry about a hob and separate hood. Now you can plan your kitchen layout with the freedom your creativity needs.

Product Benefits & Features

Get the Kitchen Design Freedom to plan your kitchen your way

This combination of an induction hob with a powerful integrated extractor gives you the Kitchen Design Freedom you need. Now you have more space for your versatile kitchen layout ideas.

- FlexiBridge® XT: 2 in 1 Hob-Hood-Combination Recirculation
- Connectivity
- Features Hob
- Hob²Hood function
- 4 Induction cooking zones
- Direct Control - sliding touch control
- Pause-Funktion
- Timer
- Child-lock
- Automatic switch off
- Build in type: Integrated or on top
- Features Hood
- Inverter motor
- 9 speeds
- Recirculatory
- Indicator for grease filter saturation

Get flexibility on both sides of the hob with Double FlexiBridge

Double FlexiBridge lets you use either the right or left side of the hob to customise your own cooking area by combining up to four zones. Allowing you to cook with pots, pans, and even planchas of different sizes for ultimate flexibility.

After cooking, quietly clear the kitchen air with Breeze

After the cooking is done you want to be able to enjoy your meal and discreetly freshen the kitchen air. The Breeze function quietly clears the kitchen air, without disturbing the ambiance for you and your guest.

Easy to clean. Easy to remove. 2-in-1 Filter

The 2-in-1 Filter combines both a charcoal and grease filter that removes odours and grease. If the appliance is installed in recirculation mode, then a 2-in-1 filter is needed. The Filter is easy to remove and can be washed in the dishwasher.

Get the most out of your appliance with the My AEG Kitchen App

The My AEG Kitchen App elevates your cooking experience by effortlessly providing step-by-step guides at your fingertips. Helping you get acquainted with your appliance, so you get the most out of all its convenient and exciting features.

Product Specification

Product Number Code	949 597 853	Left Rear - Power, W / Diam., mm	2300/3200W/220mm
EPRELRegCode	839125	Right Front - Power, W / Diam., mm	2300/3200W/220mm
Bar code	7332543802449	Right Rear - Power, W / Diam., mm	2300/3200W/220mm
Annual Energy consumption, KWh/annum	28.8	Built in height mm	212
Energy Efficiency class	A+	Width mm	830
Fluid dynamic efficiency class	A	Depth mm	515
Fluid dynamic efficiency index	32.4	Width cutting	780
Grease filter efficiency class	B	Depth cutting	490
Grease filter efficiency index	85.1	Cord length external	1.5
Capacity, Min m³/h	270	Total electricity loading	7350
Capacity, Max m³/h	500	Voltage	220-240V/400V2N
Capacity intensive, m³/h	630	Weight gross cleaner and accessories with packaging	29.84
Sound power min speed, dB(A)	49	Weight net cleaner and accessories no packaging	23.94
Sound power max speed, dB(A)	64	Package height	540
Sound power intensive, dB(A)	70	Package width	935
Recirculation Min, m³/h	250	Package depth	619
Recirculation Max, m³/h	465	Weight package Corrugated Cardboard	8200
Recirculation Intensive, m³/h	585	Weight package Paper/Carton	0
Recirc. sound power min, dB(A)	54	Weight package Wood	0
Recirc. sound power max, dB(A)	70	Weight package PE	40
Off mode power,W	0.49	Weight package PP	0
Hob type	Induction ExtractorHob		
Main colour	Black		
Left Front - Power, W / Diam., mm,	2300/3200W/220mm
