

Sensitive controls for precision cooking

The Direct Touch controls on this hob help you get delicious results every time you cook. Slide controls let you turn the heat up, down or off with such accuracy that you get the response you want at just the right moment. So whatever mouth-watering meal you're cooking, induction helps you make it just the way you want to.

Product Benefits & Features

Intelligent use of power for reduced energy consumption

The Öko Timer enables you to use energy more efficiently by using the hob's residual heat during the last few minutes of the cooking process.

Professional results thanks to multi-cookware zone

This hob's multi-cookware zone is designed to be used with all your specialised pots and pans, so you can always create the perfect professional dish.

Quicker heat for extra speed

No more waiting around for pots to boil. The PowerBoost button gives you an instant burst of heat that boils water in under 90 seconds* – that's even faster than an electric kettle. It's perfect for tasks like boiling potatoes, and other quick cooking jobs too, like searing meat.

Extra efficiency use of residual heat

For each heat zone on the hob, the OptiHeat Control tracks the level of residual heat, so you can make the most of your remaining heat and optimize your energy usage.

Closely monitor each stage of the cooking process

To enable you to closely monitor the progress of each dish, the hobs CountUp Timer starts at zero and keeps counting until you stop or reset it.

- Independent hob with controls
- Hob type: Induction
- Number cooking zones
- New XL frame concept OptiFit Frame™
- Hob²Hood
- Direct Control: sliding touch control technology
- Induction zones with power booster function
- Stop and Go function for short interruptions
- Illuminated controls
- Automatic fast heating up
- Pot detection
- Eco Timer
- Count up timer
- Timer function
- OptiHeat Control
- Acoustic signal with switch off option
- Child safety lock function
- Key-lock function
- Hob safety: Automatic Switch Off
- Protection Box
- OptiFix™: extremely fast installation concept
- Ceramic glass colour: Black

Product Specification

Installation	Independent	Weight package Corrugated Cardboard	640
Product Number Code	949 597 021	Weight package Paper/Carton	0
EAN	7332543403813	Weight package Wood	0
Built in height mm	55	Weight package PE	0
Width mm	576	Weight package PP	5
Depth mm	516	Weight package Polystyrene (EPS/EPP)	217
Width cutting	560	Weight package PU	0
Depth cutting	490	Weight package Iron	0
Frame Colour - colour of the frame	Stainless Steel	Weight package Rubber	0
Hob type	Induction Full	Protection box model den./PNC	PBOX-6IR/944 189 313
Cord length external	1.5	Country of origin	DE
Type of plug	No		
Total electricity loading	7400		
Left front - Power/Diameter	2300/3700W/210mm		
Rear - Power/Diameter	1800/2800W/180mm		
Right front - Power/Diameter	1400/2500W/145mm		
Right rear - Power/Diameter	2300/3200W/170x265mm		
Voltage	220-240		
Weight gross cleaner and accessories with packaging	12.22		
Weight net cleaner and accessories no packaging	11.08		
Package height	118		
Package width	678		
Package depth	600
