

Sensitive controls for precision cooking

The Direct Touch controls on this hob help you get delicious results every time you cook. Slide controls let you turn the heat up, down or off with such accuracy that you get the response you want at just the right moment. So whatever mouth-watering meal you're cooking, induction helps you make it just the way you want to.

Product Benefits & Features

Even more cooking options and a professional layout

The cooking zones on this extra-wide hob – such as the large central paella zone – are laid out professionally, giving you more flexibility while cooking.

- Independent hob with controls
- Fast heating highlight cooking zones
- Number cooking zones
- New XL frame concept OptiFit Frame™
- Pause function for short interruptions
- Illuminated controls
- Automatic fast heating up
- Eco Timer
- Count up timer
- Timer function
- OptiHeat Control
- Acoustic signal with switch off option
- Child safety lock function
- Key-lock function
- Hob safety: Automatic Switch Off
- Protection Box
- OptiFix™: extremely fast installation concept
- Ceramic glass colour: Black

Intelligent use of power for reduced energy consumption

The Öko Timer enables you to use energy more efficiently by using the hob's residual heat during the last few minutes of the cooking process.

Extra efficiency use of residual heat

For each heat zone on the hob, the OptiHeat Control tracks the level of residual heat, so you can make the most of your remaining heat and optimize your energy usage.

Closely monitor each stage of the cooking process

To enable you to closely monitor the progress of each dish, the hobs CountUp Timer starts at zero and keeps counting until you stop or reset it.

Product Specification

Installation	Independent	Package depth	600
Product Number Code	949 595 020	Weight package Corrugated Cardboard	673
EAN	7332543107636	Weight package Paper/Carton	0
Built in height mm	50	Weight package Wood	0
Width mm	896	Weight package PE	0
Depth mm	516	Weight package PP	6
Width cutting	880	Weight package Polystyrene (EPS/EPP)	314
Depth cutting	490	Weight package PU	0
Frame Colour - colour of the frame	Stainless Steel	Weight package Iron	0
Hob type	Ceramic Glass	Weight package Rubber	0
Cord length external	1.5	Protection box model den./PNC	PBOX-9R/944 189 316
Type of plug	No	Country of origin	DE
Total electricity loading	7900		
Left front - Power/Diameter	1800W/180mm		
Rear - Power/Diameter	1200W/145mm		
Middle front - Power/Diameter	1050/1950/2700W/145/210/270mm		
Right front - Power/Diameter	1800W/180mm		
Right rear - Power/Diameter	1400/2200W/170x265mm		
Voltage	220-240		
Weight gross cleaner and accessories with packaging	12.8		
Weight net cleaner and accessories no packaging	11.54		
Package height	118		
Package width	998
