

Precision at its core

Cook every ingredient to perfection with the 9000 SensePro® Induction hob. The wireless food sensor measures the core temperature of food and liquid so you can boil, fry and even sous-vide. It's your personal sous chef.

Product Benefits & Features

Master food. To the exact degree with the Food Sensor

Master every dish with the wireless Food Sensor. The sensor identifies temperatures to the exact degree and communicates heat adjustments to the hob. The temperature measurement and maintenance is so precise, you can even sous-vide.

Full Colour Touch Controls speak your language

The Full Colour Touch Controls user interface provides step by step guidance and live feedback, meaning you can cook with more confidence. It even teaches you how to sous vide. Take your cooking to the next level.

Combine 2 cooking zones with Bridge

The Bridge function combines two cooking zones together to fit any large or long pan. Sharing the same temperature and time setting, the linked zones are ideal when you're cooking for dinner parties or bigger celebrations.

- Independent hob with controls
- Hob type: Induction
- SensePro
- Food Sensor
- Fry Sensor
- Number cooking zones
- New XL frame concept OptiFit Frame™
- Parrot TFT
- Hob²Hood
- MaxiSight™ colour display for advanced, integrated control
- Induction zones with power booster function
- Pause function for short interruptions
- Illuminated controls
- Pot detection
- Eco Timer
- Count up timer
- Timer function
- OptiHeat Control
- Acoustic signal with switch off option
- Child safety lock function
- Key-lock function
- Hob safety: Automatic Switch Off
- OptiFix™: extremely fast installation concept
- SlimFit
- Ceramic glass colour: Dark grey

Hob2Hood®: The hands-free hood

The Hob2Hood® function connects the hob and the hood. The cooker hood automatically adjusts the fan speed based on the heat, without lifting a finger. For powerful extraction when searing. And quieter extraction when simmering.

Each cooking zone. Individually timed

Once a cooking zone is in use, its timer can be accessed quickly and conveniently via the touchscreen display. No toggling through menus or other zones. And because each dish can be precisely timed, absolute control over the cooking process is assured.

Product Specification

Installation	Independent	Weight package Corrugated Cardboard	640
Product Number Code	949 597 484	Weight package Paper/Carton	0
EAN	7332543646159	Weight package Wood	0
Built in height mm	46	Weight package PE	0
Width mm	766	Weight package PP	5
Depth mm	516	Weight package Polystyrene (EPS/EPP)	308
Width cutting	750	Weight package PU	0
Depth cutting	490	Weight package Iron	0
Frame Colour - colour of the frame	Stainless steel	Weight package Rubber	0
Hob type	Induction Full	Country of origin	DE
Cord length external	1.5		
Type of plug	No		
Total electricity loading	7350		
Left front - Power/Diameter	2300/3200W/210mm		
Rear - Power/Diameter	2300/3200W/210mm		
Middle front - Power/Diameter	1400/2500W/145mm		
Right rear - Power/Diameter	2300/3600W/240mm		
Voltage	220-240/400V2N		
Weight gross cleaner and accessories with packaging	13.86		
Weight net cleaner and accessories no packaging	12.12		
Package height	118		
Package width	868		
Package depth	600
