

### Exact heat for impeccable results

Induction helps you master any cooking technique faster and can even boil water in under 90 seconds. The heat adjustments are so subtle that they help you produce the finest tastes and textures every time you cook.

## Product Benefits & Features

### The hands-free hood

The Hob2Hood function connects the hob and the hood. The cooker hood automatically adjusts the fan speed based on the heat, without lifting a finger. For powerful extraction when searing. And quieter extraction when simmering.

### Mastering the menu.

#### At your fingertips

The individual touch controls in the AEG induction hob are equipped with plus or minus buttons for effective temperature control. Adjust the settings at a touch for absolute control over the cooking process. Precision for every step of a recipe, always resulting in great taste.

### Cleanable and durable glass surface

The solid glass surface of this hob is not only highly durable, it is also extremely easy to keep clean and in great condition.

### Total control over cooking time

The adjustable timer (max. 99 minutes) will remind you of the cooking time. It can also be used as a minute minder when the burners are not in use.

- Hob without controls, for combination with oven or separate control panel
- Hob type: Induction
- Number cooking zones
- New XL frame concept OptiFit Frame™
- Hob²Hood
- BI-Oven Control
- Add Ons Touch Control

- Count up timer
- Timer function
- OptiHeat Control
- Acoustic signal with switch off option
- Child safety lock function
- Key-lock function
- Hob safety: Automatic Switch Off
- OptiFix™: extremely fast installation concept
- Ceramic glass colour: Black

**Product Specification**

Installation	Normal BI
Product Number Code	949 597 293
EAN	7332543564743
Built in height mm	46
Width mm	576
Depth mm	516
Width cutting	560
Depth cutting	490
Frame Colour - colour of the frame	Stainless Steel
Hob type	Induction Full
Type of plug	No
Total electricity loading	7350
Left front - Power/Diameter	2300/3700W/210mm
Rear - Power/Diameter	1400/2500W/145mm
Right front - Power/Diameter	1800/2800W/180mm
Right rear - Power/Diameter	1800/2800W/180mm
Voltage	220-240/400V2N
Weight gross cleaner and accessories with packaging	11.14
Weight net cleaner and accessories no packaging	10.38
Package height	118
Package width	678
Package depth	600
Weight package Corrugated Cardboard	491

Weight package Paper/Carton	0
Weight package Wood	0
Weight package PE	0
Weight package PP	3
Weight package Polystyrene (EPS/EPP)	203
Weight package PU	0
Weight package Iron	0
Weight package Rubber	0
Country of origin	DE
