

IKE85451XB BI Hob

Combine zones to cook more

This hob can easily cope when you're cooking large amounts – or simply with bigger pans. Just touch the Bridge button to link and control two cooking zones together to fit any large or long pan. Sharing the same temperature and time setting, the linked zones are

Switch directly to exactly the right temperature

This hob's direct-access heat controls enable you to switch directly to exactly the right temperature. Simply touch the correct level on the slide control.

Cook without distractions

This hob has Hob2Hood, a useful feature that automatically controls your cooker hood and lights. It means you don't get distracted by trying to regulate the fan when you're at crucial cooking moments: you can simply concentrate on getting your dish right. But
