- For fully integrated, slide door installation
- Electronic touch controls with digital indications
- Fast freeze function
- Audible and visible warning signal for open door
- Other internal freezer features: Ice scraper
- 3 Accessory

Electronic Dual Touch Control. Fine-tuned with a touch

Take complete command of every fridge function with Electronic Dual Touch Control. The panel and LED display offer effortless access to temperature and general settings. Fine-tune everything with precision for superior food storage.

LED lighting illuminates every corner

The internal LED lighting produces a discreet, soft light, shining evenly across the whole space. Plus, LED bulbs are smaller and more energy efficient than standard bulbs – a more sustainable choice.
