

Zero degrees. Maximum protection for sensitive ingredients

The 9000 Refrigerator's LongFresh compartments create dedicated environments for delicate produce, providing an area colder than the fridge, chilled to 0°C, for meat, fish, or more sensitive food. Topped with humidity controls for adjusting condensation. Protecting nature's flavours, in every bite.

Product Benefits & Features

Maximum ingredient care. With ZeroDegrees LongFresh

LongFresh 0°C compartments, ultimate environment for protecting the condition of ingredients. Area colder than the fridge, kept at 0°C degrees, the right zone for fish, meat or finer produce. Equipped with humidity controls, to avoid drying out. For carefully selected produce, kept full of aroma.

- Dynamic cooling
- Clean Air filter
- Audible & visual open door warning signal
- Refrigerator shelves: 2 Full Width + 1Flexi shelf, Glass full width with front and rear trim
- FlexiShelf
- Egg tray: 2 for 6 eggs
- Door hinges placement: Right & Reversible

Stable temperatures, with MultiFlow

MultiFlow protects the quality of food by maintaining stable temperature and humidity in the whole fridge. Multiple air channels enable an active circulation of cold air reaching every corner.

Soft-closing door for smooth and quiet closing every time

Accurately crafted soft-closing door hinges help to prevent an accidentally open fridge door that can lead to wasted energy and spoiled food by ensuring a snug, secure and quiet experience when closing the door.

Ten-years peace of mind

Ten-year warranty on the Compressor provides maximum peace of mind. The warranty includes labour, transportation, gas removal and refilling, general maintenance, and service costs.

Fine-tune settings with electronic touch control

Take complete command of every refrigerator function with electronic touch control. The panel and LED display offer effortless access to temperature and general settings. Fine-tune everything with precision for superior food storage.
