

**Gives you some of the quickest results possible!**

The ceramic cooking zones on this hob heat far more rapidly than solid hot plates, enabling you to boil water and cook meals even faster.

**Product Benefits & Features**

**Why have two control panels, when just one will make life easier?**

This hob is controlled via the panel on the oven – it couldn't be more convenient. There's only one place to look at, whether you want to adjust the oven or the hob.

- Hob without controls, for combination with oven or separate control panel
- Fast heating highlight cooking zones
- Number cooking zones
- Frame type: Standard Frame, Stainless Steel
- BI-Oven Control
- Residual heating indicator: 4
- Ceramic glass colour: Black

**Pans large or small – the dual zone can handle both!**

You can use different sizes of pans on this hob's smart dual zone. It efficiently heats standard-sized pans but can also easily handle larger ones.

**The hob that lets you know it's still hot!**

The residual heat indicator on this hob reduces the chance of accidental burns in the kitchen. It lets you see at a glance if the burner is still hot.

**The less-housework hob!**

The smooth ceramic glass surface of this hob makes for less housework, and more fun! All it takes is a few wipes to leave it sparkling clean.

**The hob that anyone can install!**

The pre-mounted springs and brackets on this hob make it child's play to install. Simply move it into the cut-out space, and it settles itself firmly into place!

## Product Specification

Installation	Normal BI	Weight package Paper/Carton	0
Product Number Code	949 595 544	Weight package Wood	0
EAN	7332543170364	Weight package PE	0
Built in height mm	38	Weight package PP	5
Width mm	576	Weight package Polystyrene (EPS/EPP)	215
Depth mm	506	Weight package PU	0
Width cutting	560	Weight package Iron	0
Depth cutting	490	Weight package Rubber	0
Frame Colour - colour of the frame	Stainless Steel	Country of origin	DE
Hob type	Ceramic Glass		
Type of plug	No		
Total electricity loading	6400		
Left front - Power/Diameter	750/2200W/120/210mm		
Rear - Power/Diameter	1200W/145mm		
Right front - Power/Diameter	1200W/145mm		
Right rear - Power/Diameter	1800W/180mm		
Voltage	220-240		
Weight gross cleaner and accessories with packaging	7.72		
Weight net cleaner and accessories no packaging	6.76		
Package height	118		
Package width	678		
Package depth	600		
Weight package Corrugated Cardboard	640
