

Energy-efficient appliance. Save money and protect the environment

This energy-efficient appliance helps you save energy, which benefits you financially, and helps reduce your carbon footprint.

Product Benefits & Features

Easy freezer maintenance

Thanks to this freezer's Low Frost technology, less frequent defrosting is needed than with standard systems. And with hardly any ice forming in between the shelves, defrosting and cleaning is quick and easy.

- 1780 mm built-in height
- LowFrost
- Fruit and vegetable drawers: 2 Half Width
- Refrigerator shelves: 4 Full Width, Glass full width with front and rear trim
- Freezer drawers: 3 Full Width, Transparent Plastic
- Automatic defrosting of the cooling compartment
- Door hinges placement: Right & Reversible
- For fully integrated, slide door installation
- Other internal freezer features: Ice scraper

The fridge freezer that adapts to your needs

The removable shelves and door balconies let you easily arrange the fridge section the way you want it, making it easier to store food – and to find it again later!

Check what's in your freezer at a glance

No more opening and closing freezer drawers to check what's inside – these are transparent, so you can see what you have in stock at a glance.

Now it's much easier and quicker to keep your fridge freezer clean

The removable shelves and door balconies in the refrigerator make it possible to clean it much faster, easier and more thoroughly with less effort.

The fridge-freezer that opens to the left OR right

Thanks to the reversible door which opens either to the left or right, this fridge-freezer can be placed anywhere in the kitchen that's most convenient to you.
