Functions at your fingertips. With Touch Electronic Control

With Touch Electronic Control, you always know what's going on inside your fridge. You can easily control various functions and set the precise settings for the fridge with just a touch.

Bright LED lights let you see everything inside.

Say goodbye to dark fridge interiors where you can barely see what you're looking for. The soft and even lighting of bright internal LED bulbs give you the visibility you need and are energy-efficient.

It's easy to store items with full width vegetable drawers

Now you can easily organise your bigger fruits and longer veggies any way you want using the full width vegetable drawers.
