In-fridge compact freezing, with the four-star compartment

The four-star freezer compartment is great if you don't have a lot of room at home. The miniature freezer is inside the fridge and can reach temperatures as low as -18°C.

Fine-tune settings with electronic control

With the electronic control you can easily control your fridge functions. The convenient LCD display offers effortless access to temperature and other general settings.

It's easy to store items with full width vegetable drawers

Now you can easily organise your bigger fruits and longer veggies any way you want using the full width vegetable drawers.
